

INTERNATIONAL PROGRAMME BUSINESS & ADMINISTRATION

Francisco Ferrer University College is located in the very heart of Brussels and teaches around 3000 students every year, attending classes in 6 departments.

The Business and Administration Department organizes Bachelor and Master curricula.

A distinctive feature of the training is the large number of active professionals in charge of specialist courses, guaranteeing a hands-on, business reality-oriented approach to the subject.

Your students may choose courses for 30 ECTS among the course catalogue on the next page.

Francisco Ferrer University College offers :

- top quality training by the teaching staff and experts from the professional world
- a tradition of student incoming mobility
- small groups
- access to all support services
- an intensive two-week preparatory course in French (free)
- guidance in finding accommodation
- activities organized by the International Relations Office for Erasmus students
- integration into the student community at large, thanks to student societies
- integration into a unique European multicultural city

Incoming students may choose courses up to 30 ECTS among the courses listed below.
